View attachment 77326 RE:Renewal of permit for R.R. Burch Construction Company to receive and discharge fuel oil on leased property, located on the north side of Castlewood Road approximately one mile east of the intersection of Castlewood Road and Rural Route No. 24, granted August 29, 1947 [Ord. No. 2119] THE CITY OF CHESTER, PENNSYLVANIA HISTORY OF PERMIT No. 218 This permit has been renewed for one year by Resolution No. 2046 of the Council of the City of Chester, August 18, 1987, and currently is in effect for one year from August 19, 1988. Permit No. 218 was granted in the name of R.R. Burch Construction Company, Inc. and applied for the purpose of receiving and discharging fuel oil on leased property located on the north side of Castlewood Road approximately one mile east of the intersection of Castlewood Road and Rural Route No. 24, granted August 29, 1947. On the most recent application for permit 218, dated July 23, 1987, the applicant is now known as "Committee for the Defense of Firefighters." The attached statement of conditions was filled in for the stated purpose of this application: "The application for this permit is to renew permit No. 218 previously granted to R.R. Burch Construction Co., Inc., to receive and discharge fuel oil on property located on the north side of Castlewood Road, approx. 1 mile east of the intersection of Castlewood Road and Rural Route No. 24, effective until further order." The change in land owner, to the Defense Trust Fund, was not reflected in the application nor in this correspondence. Chester Fire Department was informed, in writing, by the owner of the premises, that the land was to be leased to a company for the purpose of receiving and discharging fuel oil on the premises. The owner of the premises had received notice from the Department concerning the permit, and had been instructed by the Fire Department that the owners were not to remove the fuel oil without first having obtained a permit and paying a fee. Information provided by the Director of Public Works, in the course of processing the application for the permit, included the following: "It is
